UAP Canada is happy to offer a number of products that growers can utilize in their programs that demonstrate results while delivering lower loads to the environment. These products deliver either low or no MRLs or are soft to beneficials and work well in resistance management programs. Balanced Technology products have been identified on the chart using the Balanced Technology Symbol. 

Western Canada: 1-800-561-5444
 Ontario & the Maritimes: 1-800-265-5444
 Quebec: 1-800-361-9369
 British Columbia: 1-604-864-2866
