

Black Label[®] Zn

Pre and Post Emergent Applied

BLACK LABEL[®] ZN is a blend of three important nutrients using a patented manufacturing process. **BLACK LABEL ZN** (6-20-0 + 0.77% Zn) is a Phosphorus, Nitrogen and Zinc source using technology designed to protect applied phosphorus from reacting and “tying-up” with calcium, iron and aluminum in all soil types.

PRODUCT FEATURES:

- Pure form of phosphoric acid with 80% of P as orthophosphate
- Added zinc for improved phosphorus assimilation
- Low salt index and chloride-free formulation
- Blends with a wide range of fertilizers and pesticides*

PRODUCT BENEFITS:

- Excellent crop safety
- Wide application options, offers you convenience
 - Post-emergent with pesticides*
 - Pre-seed with a glyphosate burn-off treatment
 - In-furrow alone or with other seed-safe fertilizer formulations*
 - Side-band or top-dressed with other fertilizer formulations*
- Delivers P and Zn nutrition when in-season tissue levels are below optimum

APPLICATION INFORMATION:

BLACK LABEL ZN can be used on most crops and offers flexibility to suit your operation. **BLACK LABEL ZN** is compatible with a broad range of pesticides and may also be applied through drip and centre-pivot irrigation equipment. Multiple applications can be made through the season if necessary.

- Broadcast Applications: Apply 4 to 8L/ac in a minimum of 10 gallons of water (row crops: 10 to 20L/ha with 100 to 200L/ha of water)*
- Vegetable Crops: Apply 4 to 24L/ha in a minimum of 10 gallons of water (10 to 60L/ha with 95-285 L/ha of water)*

MIXING INSTRUCTIONS (Do a jar test when mixing other products)*:

BLACK LABEL ZN mixes easily with water as follows:

1. Partially fill tank with water and start agitation
2. Add pesticides or other nutrients. **BLACK LABEL ZN** is compatible with micronutrients if used at a minimum of 8 parts to 1 part micronutrient
3. Add **BLACK LABEL ZN** last to circulating tank mix

*Not compatible with Calcium fertilizers and salts of heavy metals.
Always do a jar test when mixing with other products.*

*Always read and follow label directions.
