NATURE'S BASICS™ 2X

DIRECTIONS FOR USE: Apply NATURE'S BASICS 2X as a foliar application and dilute in a minimum of 100L of water per hectare. This product should be used on the basis of a soil and/or tissue analysis. Foliar fertilization is intended as a supplement to a regular fertilization program and may not, by itself, provide all the nutrients normally required by plants. This product is only to be used to treat micronutrient deficiencies and the user should seek the advice of an agricultural representative or a professional agricultural consultant. When tank mixed with other chemicals compatibility testing should be conducted and done prior to application.

SHAKE WELL BEFORE USE

WARNING: Natures Basics 2X is recommended for crops where boron may be deficient however over-application may result in serious injury to sensitive crops. Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.htm>

PROTECTIVE CLOTHING AND EQUIPMENT

To minimize exposure, the following precautions should be followed. Wear protective gloves, safety glasses and suitable protective clothing. In case of insufficient ventilation, wear suitable respiratory equipment. Rinse gloves with soap and water before removal and wash hands thoroughly before eating, smoking, or drinking. Clean protective equipment daily. Avoid release of concentrated product to the environment due to the potential for hazard to aquatic life.

WARNING: May damage fertility or the unborn child. Causes serious eye damage. Causes skin irritation. Wear protective gloves/protective clothing/eye protection/face protection.

SHELF LIFE & PRECAUTIONS: Keep container tightly sealed when not in use. Store in a cool, dry place between 34° and 100° F. Do not store in direct sunlight. Do not store diluted product. Liquid should not be consumed. Do not inhale mist. Wash with soap and water after use or skin contact. Prevent contamination of food, utensils and drinking water. Dispose container in accordance with local, state, and federal regulations.

KEEP OUT OF REACH OF CHILDREN

FIRST AID MEASURES:

INHALATION: Remove person to fresh air and keep comfortable for breathing.

SKIN CONTACT: Wash skin with plenty of water.

EYE CONTACT: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Call a physician immediately.

INGESTION: Call a poison center/doctor/physician if you feel unwell.

Physical Characteristics

Appearance: NATURES BASICS 2X is a greenish liquid. **Specific gravity:** 1.41 g/mL
