

Broadleaved weed control for an array of applications

USHA 6

HERBICIDE

Quality Herbicide at a Sharp Price Point

USHA 6 brings the grower trusted broadleaved weed control at an affordable price, over a large number of different cropping and non cropping situations.

The large label of registered crops, combined with the long spray windows, means this is a must have spray in the growers toolbox. Incredibly effective contact spray needs to be applied to rapidly growing weeds.
